Price List (spring 2012)

18cm Birthday Cake (10 slices)	£30
A light, moist chocolate cake made from butternut squash, ground almonds, rice flour, organic cocoa and unrefined caster sugar. The icing is made from mascarpone and only a tiny smidge of butter. Don't be fooled though – it tastes every bit as more-ish as a traditional full-fat chocolate cake! Can be decorated to order, or topped with fresh raspberries or white chocolate rainbow drops.	
20cm Birthday Cake (12 slices)	£35
A truly indulgent gateau-like chocolate cake, groaning with mulched raspberries, and encased in very naughty white chocolate butter cream icing. Can be decorated to order, or topped with fresh summer fruit.	
20cm Apple Cake with Maple Icing (12 slices)	£35
A teatime treat, featuring shards of Bramley apples in a light sponge made with olive oil. Smothered and filled with an icing made from cream cheese and maple syrup. Possibly the yummiest cake ever.	
Loaf Cake (12 slices)	£12
Choose from classic Banana bread, the ultimate Lemon drizzle, Pear and cardamom, Rye apple or Butternut squash with a honey and orange drizzle. Perfect for a cosy night in front of the telly!	
Chocolate Brownies (12 individual)	£15
These are made using rye flour which gives them a delicious, dense texture. Packed with hazelnuts and using hazelnut oil for superior flavour. Crusty on top and gooey in the middle – just as a decent brownie should be. Can also make 24 smaller brownies.	
Muffins (12 individual)	£15
Choose from Blueberry and white chocolate, Carrot apple and pecan, or vegan Fig and mocha. Lots of other combos available – just ask...
